

# LIGHT VEHICLES

2023

## CUSTOMISED COMMERCIAL LIGHT VEHICLES TO SUIT EVERY JOB

When it comes to our light vehicle rentals, we exclusively rely on **Toyota** vehicles.

Renowned for their exceptional quality, reliability, and durability, Toyota vehicles provide the assurance and performance required for the demanding conditions of mining operations. Every vehicle in our fleet is carefully selected to meet the highest standards, ensuring optimal functionality and peace of mind for your projects.

At Kuuwa, we understand that no two projects are alike. That's why we take pride in offering **bespoke solutions** tailored to your specific requirements. Each vehicle you rent from us is customised to your specifications, guaranteeing a perfect fit for your project's unique demands. We work closely with you to identify your needs, providing the flexibility and versatility required to enhance efficiency and productivity.

We are committed to delivering **exceptional value** while keeping your project within budget and on schedule. Our dedicated team is focused on ensuring that your rental experience is seamless and hassle-free.

Experience the Kuuwa difference and unlock the power of reliable and bespoke light vehicles for your projects.

We are here to support you every step of the way, providing quality solutions that drive success.

# LIGHT VEHICLE FLEET

Kuuwa provides bespoke light vehicles, custom-built for each individual project's requirements. We pride ourselves on providing you with a vehicle that helps you deliver your project on time and on budget. We exclusively source Toyota products, renowned for their reliability and performance. Drive your project forward with Kuuwa.
